AUSTRALIAN STOCKSCAN SERVICES PTY.LTD

Newsletter - January 2015

Another year is in front of us, it certainly doesn't take long for each year to disappear, so I am afraid to all you farmers out there the time has come to do something that you all enjoy so much Book Work. If you could address this piece of bookwork as soon as you receive this, it might not get lost at the bottom of the pile we all have on our office desks.

I know some of you just assume that you will automatically be contacted each year for your scanning. But this makes it very hard for those organizing and how best to comply with everybody's needs. So it would really be appreciated if you could fill out the booking form even if you're not sure exactly what time of year you require to be scanned an estimate would do. But we do require a form be it mailed, faxed or emailed.

At the Annual Meeting in July 2014 those that attended moved to look in to putting the Name, Stud, Address and Phone number of users of Stockscan information on our website.

The only way this can happen is for us to obtain written permission from users of Stockscan. If you wish your details to be included, please send the attached form to an email needs to be ASAP.

Anyone not replying in writing cannot be included.

Information the scanners will need on the day of scanning:

- ❖ Average Date of Birth, month & year for each group.
- ❖ How many groups (please mark clearly)
- ❖ If over 50 sheep in a group is ID (lowest to highest ear tag) sort required.
- ❖ Is a Sire Summary required? If info is not available on the day please let the scanner know that it will be sent later.
- ❖ **You will need to supply someone to record the figures.** (This is not the scanners job).

Yours Sincerely,

Julie Davey

Secretary

AUSTRALIAN STOCKSCAN SERVICES PTY.LTD

Booking form for 2015

Please return form ASAP if intending to scan in 2015

To provide a better service to everyone it's requested that all enquires be directed through the Secretary and not to the scanners.

Name

Address

Phone Fax

Email

Proposed number to scan

Month wishing to scan

SA, VIC, NSW \$4.50 + Promotion levy .50 +GST= 5.50 per sheep

WA and TAS \$5.50 + Promotion levy .50 +GST = 6.60 per sheep

Please note a \$50 set up fee will be charged for flocks scanning fewer than 100 sheep in a location. A petrol allowance will be charged.

I would like Australian Stockscan Services Pty. Ltd to contact me and make final arrangements for 2015. I also acknowledge that whilst scanners will take all reasonable care while weighing and scanning they shall not be held responsible for the death of or damage to any sheep involved in the process and do not accept any liability for any such loss or damage
